## Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (DR. RAMAN SINGH)

(a) to (c): Yes Sir.

The International Centre for Advancementof Manufacturing Technology (ICAMT) has undertaken a project in close co-operation with National Chamber of Industry and Commerce, Agra (NCIC) on pilotproject basis to upgrade manufacturing practices of Foundry Industry in Agra. Following activities are envisaged under this project:

- Trainings/Seminars/Workshops on key technologies
- Deputing National/International Experts to help industry to follow best manufacturing practices.
- To facilitate industry to get exposure to manufacturing practices being followed in developed countries.
- To help industry in identifying and adopting appropriate technologies

The areas and issues are being identified in co-operation with NCIC for developing and implementing training modules for Agra foundry industry.
